AUTHORIZATION & ANNUAL TRAINING REQUIREMENTS

The above named individual has been authorized by their fire department/district to join the MABAS Divisions 4 & 5 SRT Technical Rescue Team as a support level team member. The individual acknowledges and understands that they are responsible for following the Standard Operating Guidelines of the SRT Technical Rescue Team, which are available on the SRT website. Support level team members may participate in all SRT Technical Rescue Team trainings (up to their level of training), team sponsored activities and may learn to use and operate the team's equipment including the rolloff trucks. They may not, however, respond to SRT incidents as support level team members. Support level team members will not have any annual training requirements to maintain their membership. The SRT will, however, evaluate the continuing membership of all support level team members on an annual basis.

The individual and the fire department/district understand that it is their collective responsibility to maintain all required certifications, training records and medical/fit for duty records pertaining to the individual's membership with the SRT Technical Rescue Team.
